### GUIDELINES FOR ABSTRACTS, PAPERS AND PRESENTATIONS

Applicants must submit one-page long **extended abstracts**, with key words, but without tables or graphs, in plain text. Abstracts should focus on own contribution (research question, arguments, method and results).

Participants must submit **complete papers** in accordance with the abstract accepted. The body of the papers (the paper without the cover page and reference list) should be 10-12 pages long.

Participants give **presentations** based on the written papers. Presentations should be no longer than 15 minutes, leaving 15 minutes for discussion. Each paper will be assigned to a senior discussant and a junior discussant (one of the participating PhD students).

Based on the evaluation of the session chairs, some of the works presented at the PhD workshop will be selected for **publication** in a refereed workshop proceeding under ISBN number.
