

ExxonMobil Scholarship 2018/2019 | Application Guide and Requirement

The Faculty of Economics and Business Administration of the University of Szeged and ExxonMobil invites applications from suitably qualified persons into its Scholarship program for University Students with an interest in pursuing a finance and accounting career in the oil and gas industry.

ExxonMobil is the world's largest publicly traded international oil and gas company, providing energy that helps underpin growing economies and improve living standards around the world. ExxonMobil uses innovation and technology to deliver energy to a growing world.

The scholarship covers the opportunity for a university students to **apply for one semester tuition fee** where ExxonMobil Business Support Center Hungary Ltd. (hereinafter: ExxonMobil BSC) offers to pay the fee on behalf of the chosen candidate for the Autumn Semester of Academic Year 2018/2019.

To be considered eligible, intending candidate MUST:

- Be registered full-time undergraduates in University of Szeged
- Successfully accomplished at least 4 academic semesters in the relevant program including minimum of two semester of accounting studies and successfully passing mandatory classes for 2018/2019 school year
- The applicant completed a minimum of 114 credits
- Applicant will be able to spend their (obligatory) internship at ExxonMobil BSC's Budapest office
- The applicant is willing to commence the (obligatory) internship at ExxonMobil BSC no later than July 2019
- The chosen candidates are willing to complete Skype interview
- The top 3 applicants are willing to participate in personal interview at ExxonMobil BSC's expense (after 1st round skype interview)
- In case of a disciplinary decision made against the student, while it is in effect, the student may not apply for a scholarship
- Students who are currently on similar scholarship awards from other oil and gas companies should not apply
- Students who are currently on any other scholarship should not apply
- Dependents of employees of ExxonMobil BSC are not eligible for this scholarship

Evaluation Criteria:

- Fluent level of English and second European language encouraged
- Demonstrated analytical and problem solving skills
- Strong communication and interpersonal skills
- Attention to accuracy and detail and ability to meet priorities and deadlines
- Willingness to take initiative and seek challenges
- Ability to work 32-40 hours/week depending on the internship program
