

INTERNATIONAL ECONOMY AND BUSINESS MSC

"Szeged is a peaceful, student friendly city. The cost of living is lower than in Budapest. The university and the city are combined; there is no barrier between the students and society."

Jiang Xuezi, student from China

INTERNATIONAL ECONOMY AND BUSINESS MSC

GENERAL INFORMATION

The Master Programme in International Economy and Business aims at giving a combination of sound theoretical grounds and practical skills utilisable in today's and tomorrow's internationalised economy. Throughout the whole Programme, the international aspect is highly emphasised. Graduates are expected to find or even create jobs in the world of international economy and business.

The international flavour of the programme is guaranteed by channelled student and teaching staff exchange schemes and regular social events of an international character.

The degree is accredited and recognized by the European Union and its Member States.

ADMISSION REQUIREMENTS

- Bachelor's degree in relevant fields
- Oral and written proficiency in English (equivalent to IELTS 5.5)
- Successfully passed oral entrance examination conducted via skype or in person, related to the topic of European integration or the global economy
